DECLARATION OF CONFORMITY

DATE: 13/02/2013
REV.: 8

Product: MAGNETIC DRIVE GEAR PUMPS PG SERIES

Fluid-o-Tech S.r.l. declares under its own responsibility that all the magnetic drive gear pumps manufactured comply with the safety requirements for the use they are designed for, provided that the normal operating conditions indicated in the instruction sheet attached to the product are respected.

The product complies with the following Directives:

- *Directive 94/9/CE of the European Parliament and of the Council, of 23rd March 1994, related to equipments and protection devices intended to be used in potentially explosive environments - ATEX.*

Groups equipped with motors satisfy the requirements of the following Directives for the member states' legislations approaching:

- *Directive 2004/108/EC of the European Parliament and of the Council, of 15th Dec 2004, related to the Electromagnetic Compatibility – EMC.*
- *Directive 2006/95/EC of the European Parliament and of the Council, of 12th Dec 2006, related to the electric material intended to be used within specified voltage limits – DBT.*
- *Directive 94/9/EC of the European Parliament and of the Council, of 23rd March 1994, related to equipments and protection devices intended to be used in potentially explosive environments - ATEX.*
- *Directive 2011/65/EU of the European Parliament and of the Council, of 08th June 2011, on the restriction of the use of certain hazardous substances in electrical and electronic equipment – RoHS.*

Fluid-o-Tech S.r.l. has referred to the harmonized regulations applicable to the product which the same Directives refer to.

It is necessary to clarify that for the Directive 94/9/CE relevant to the potentially explosive environments, the product complies with such Directive for applications in environments with characteristics EEx II 3 G2 D22, provided that the normal operating conditions indicated in the instruction sheet are respected.

It is understood that the motor to which the pump is coupled needs to be complying with the same requirements.
